

103. Country Roads

1. Almost heaven, West Virginia

Blue Ridge Mountains, Shenandoah River

Life is old there, older than the trees

Younger than the mountains, blowing like a breeze

Refr. Country roads, take me home
To the place I belong
West Virginia, mountain mama
Take me home, country roads

2. All my mem'ries gather round her

Miner's lady, stranger to blue water

Dark and dusty, painted on the sky

Misty taste of moonshine, teardrop in my eye

Refr. Country roads, take me home
To the place I belong
West Virginia, mountain mama
Take me home, country roads

I hear her voice, in the morning hour she calls me
Radio reminds me of my home far away
Driving down the road I get a feeling
That I should have been home yesterday, yesterday

Refr. Country roads, take me home
To the place I belong
West Virginia, mountain mama
Take me home, country roads

Refr. Country roads, take me home
To the place I belong
West Virginia, mountain mama
Take me home, country roads

Take me home, country roads
Take me home, country roads
